

**REMARKS**

The present amendment is in response to the advisory action dated July 20, 2006 where the Examiner indicated that the proposed claims submitted on July 14, 2006 would not be entered because new claim 31 would require further consideration and search. Claims 22 and 26 were objected to, but indicated as allowable if rewritten in independent form. In the present amendment, claims 6, 15 and 23 have been amended and claims 21, 22, 25 and 26 have been cancelled without prejudice. New claim 31 has been omitted in the present communication. Accordingly, claims 6 – 12, 15, 17 – 20, 23, 24 and 27 – 30 remain in the present application with claims 6 and 15 being independent claims. A notice of allowance directed to remaining claims 6 – 12, 15, 17 – 20, 23, 24 and 27 – 30 in view of the amendments and the following remarks are respectfully requested.

**A. Allowable Claims**

Claims 22 and 26 were indicated as allowable if rewritten in independent form and to include all of the limitations of the base claim and any intervening claims. Applicant has amended independent claim 6 to include the limitations of allowable claim 22 and intervening claim 21. Accordingly, Applicant respectfully requests allowance of claim 6 and its respective dependent claims.

Similarly, Applicant has amended independent claim 15 to include the limitations of allowable claim 26 and intervening claim 25. Accordingly, Applicant respectfully requests allowance of claim 15 and its respective dependent claims.

**B. Drawings Objection**

Applicant notes that the objection to the drawings has been withdrawn.

**C. Rejection under 35 USC §103(a)**

In the Office Action, claims 6 – 12, 15, 17 – 21, 23 – 25, and 27 – 30 were rejected under 35 U.S.C. 103(a) as being unpatentable over U.S. Patent No. 6,686,838 ("Rezvani"). Applicant respectfully maintains that Rezvani does not fairly teach or suggest the claimed invention, however the independent claims have been amended to

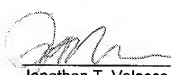

incorporate the features of the allowable claims and accordingly the rejection under § 103(a) is moot.

**D. Conclusion**

For all the foregoing reasons, a notice directed allowance of claims 6 – 12, 15, 17 – 20, 23, 24 and 27 – 30 remaining in the present application is respectfully requested. If necessary, applicant requests, under the provisions of 37 CFR 1.136(a) to extend the period for filing a reply in the above-identified application and to charge the fees for a large entity under 37 CFR 1.17(a). The Director is authorized to charge any additional fee(s) or any underpayment of fee(s) or credit any overpayment(s) to Deposit Account No. 50-3001 of Kyocera Wireless Corp.

Respectfully Submitted,

Dated: Aug 17, 2006
